SUTHERLANDSHIRE.

TO BE SOLD,

THE REVERSION of the LEASE of PRONCY FARM, in the Parish of Dornoch, having six years of the first nineteen to run from Whitsunday last, being part of the Sequestrated Estate of WILLIAM GERRIE.

This Farm, having a Southern exposure, is pleasantly and conveniently situated, within two miles of the Burgh of Dornoch, and about the same distance from the Port of Little Ferry, where Grain and other Farm produce can be Shipped with the greatest facility. It contains about 200 Acres of highly improved Arable Land, nearly all enclosed and subdivided with substantial Stone Dykes, and within a few Years back, upwards of £2000 have been expended in Liming and Draining, &c. &c. The Parliamentary Road passes through the Farm, and the Mail Coach runs daily, within a quarter of a mile of it.

There is a good Steading, with Thrashing Mill, propelled by Water, and a comfortable Dwelling-House, with a Garden, well stocked with Trees and Bushes. The Farm having been Let on an improving Lease, the Rent is consequently very low.

Farther particulars may be learned, on applying to George Forbes, Pulrossie, by Dornoch, the Trustee; or to W. S. Fraser, Writer, Dornoch, to either of whom offers may be lodged, till the first of November next. If a suitable offer is then made, the Tenant approved of may have possession at Martinmas, and the Crop and Stock at a valuation.
