A Note from Ross Dawson.

William's brother Alexander (1817-1871) was my great grandfather. He set up a business (merchant and fishcurer) in Brora and married Harriet Reid McIntyre who had moved with her family to a farm at Drummie, Golspie. Both she and Alexander are buried in New St Andrew's cemetery, Golspie.

Their second daughter Henrietta married (1894) Andrew Ross (Mariner & Hotel Keeper) and raised a family in Brora one of which was my mother.
