Dear Mrs Grant.

Hope you are all well.

Awfully sorry for not writing sooner
but hope that you will forgive my bad
manners. Thank you very much
indeed for your kind hospitality.
We enjoyed our stay with you and
only wish that it could have been longer.
It was jolly good of you to put us up and
we will always remember the very
happy time we spent in lovely Dornoch
with you Grand Highland People.
Sorry to leave Bonny Scotland. Don't
suppose I'll ever see it again. Will go
back home with very happy memories
of the Dear Land of my ancestors its
Grand Hospitable People. Sorry that
we could not get over to see you again
before leaving. The time seemed to go
so terribly quickly. Applied for an
extension of leave but was refused
and told us to report back so that's
that. Loved every inch of the Highlands
and could have easily done with
another six months with the
People will be very keen indeed to

Date _____

Know all about Scotland especially
The Highlands and the Highlanders
when I get back. If I couldn't be a
Highlander I wouldn't want to be any-
thing else. Have sent you a wee Siftie
and hope that you receive it in good
order. May have to leave any day
now for New Zealand. We are kept
pretty well in hand here now as so
many of the Lads have gone A.W.L.
only wish that I had taken extra
time myself. Got back yesterday
worse luck and how I hated crossing
the Border from Dear Old Scotland.
Suppose I'll have to be satisfied with
the leave that I got but it was so
short and I wanted to see more of
The Highlands and Isles. If you or any
of your Family are ever in N.Z. please
look us up and I am sure we will be
able to make your visit enjoyable.
Will do our very best anyway. Well
my dear apts Grant once again thanking
you for your great kindness and for
the very happy time we spent with you
I will remain
yours Sincerely. Ian Gordon a furro
