Dear Mrs Great,

I am now at H.M.S Raleigh
Plymouth waiting to go on a course
in a fortnight. Bruce is starting
his course tomorrow.

We had a fairly good trip back
stopping one night in Edinburgh
from there we travelled most of
the way first class to London.

I am very glad I went to Scotland
to have a look around I found the
people especially the Highlanders,
far more open and friendly than
they are down here.

ON ACTIVE SERVICE.

next time I have a bit of leave
so that I will be able to compare
my impressions of England
Scotland & Wales.

Thank you very much for
having me to stay I appreciate a
private home very much when
away from my own home.

Best wishes to all

Yours sincerely
John Cooke.
