Dear Mrs. Grant

How is everyone in Dornoch?
Fine, I hope. I haven't been fortunate
enough to get up your way again,
& pay you a visit. Now, I'm afraid
it is too late.

Word came a few days ago
that I am to report to the
Repatriation Depot, Torquay, on
Sept 30th. If things go as well
as I expect, I should be home
by the middle of October.
What a grand feeling!

Has Jessi gone to Canada
yet? Please send me her
address & I'll call on her
when I am in Lincoln. It is

2
in Lincoln, shall be living, and
it? How is the baby? a
fine big fellow now, isn't he?

When do the boys expect
to get out of the army, Mrs. Grant?
It would be too long now, I hope.
Demob. doesn't seem to be
speeding along very quickly, does it?

Give my regards to all
the family, and again, thanks
for all the friendship & hospitality
you have given me.

Sincerely

Bob. Macdonald.
