Evelix Road,
Dornoch,
Sutherland.

Dear Mr. Bell,

Professor Alcock passed a copy of your letter on to me; I'm very sorry the reply has taken so long. The Burgh Survey ended some time ago, and this department has really had no connection with it for two years now. The remaining unsold copies were passed on to the Scottish Development Department, Ancient Monuments Branch when the grant ended. I believe that a few more surveys may be published from their office if money/sponsors can be found.

The Inspector who is now responsible for the Burgh Survey is Dr. Noel Fojut. You can contact him at the Scottish Development Department, Historic Buildings and Monuments Dept., 20, Brandon Street, Edinburgh EH3 5DX Telephone: 031 556 8400 He may be able to help; in any case should you wish to photocopy any of the Reports, you will need to obtain their permission. I'm sorry I could not be of further help.

Yours sincerely,

Amanda Clydesdale
