Dear Sir,

We have come to an arrangement with The Scottish Motor Traction Co., Ltd. regarding our series of Air Pageants in Scotland next year and they have suggested that we approach your Council with regard to running an Hospital Air Pageant on their land.

The Scottish Motor Traction Co., Ltd. are quite agreeable to us giving a display on the Council's ground.

We enclose herewith our standard agreement form from which you will see under clause 5. that we are responsible for any damage which might occur, although during our 1933 series of Air Pageants we are pleased to say there were only two cases in which small claims were made under this heading, and these were settled on the spot.

In granting us the desired permission, we hope your Council will see their way to giving us a choice of dates between April 1st and October 31st, 1934. We ask for this concession because we have not yet decided when we shall be visiting Scotland and this choice of dates would considerably assist us in arranging our itinerary.

We hope you will be interested to learn that in spite of numerous unforeseen difficulties we were able to hand over, this year, to the hospitals in the towns visited by the pageants, the

sum of £6,854. 6. 10. and from experience gained we anticipate considerably improving upon this sum in 1934.

We sincerely trust your Council will see their way to granting us the permission requested and look forward to receiving an early and favourable reply, for which we thank you in anticipation.

With compliments,

Yours very truly,
