The Act authorizes the conduct of small lotteries for purposes other than private gain by societies (which includes clubs, institutions, organizations or branches of these) for raising money for charitable, sporting and other purposes. Under the Act the following conditions must be observed in connection with the promotion and conduct of such lotteries: (a) the promoter must be a member of the society and be authorized in writing by the governing body of the society to act as such; (b) no remuneration must be paid to the promoter for conducting the lottery; (c) no prize must exceed £1,000 and the price of any ticket or chance shall not exceed 25p; (d) the whole proceeds after deduction of lawful expenses (not exceeding 25 per cent. of the proceeds) and the provision of prizes (not exceeding one-half of the proceeds) must be applied for the purposes of the society; (e) the price of every ticket must be the same and shall be stated on the ticket; (f) the total value of the tickets sold must not exceed £5,000; (g) no written notice or advertisement of the lottery is allowed except within the premises of the society or distributed exclusively to members thereof; (h) every ticket must specify the name of the society, the name and address of the promoter and the date on which the determination of the prizewinners will take place; (i) no payment on account of expenses or prizes must be made out of the moneys of the society not being proceeds of the lottery; (j) no ticket to be sold by or to a person under 16 years of age.

re UPGRADING AND EXTENSIONS TO DORNOCH SOCIAL CLUB - 056

Further to our discussion please find enclosed interim payment certificate Nos. 21 - 30 inclusive for the above project.

We have applied for the next installment of Grant Aid and look forward to receiving cheques for these certificates to pass on to the individual contractors when this installment has been received.

The next request for payment from the Highland Regional Council will be our last one and to accompany that one I have to produce all receipted invoices to date and all outstanding invoices from the individual contractors. I envisage this being carried out during the month of January, 1982, with only a sum left over to be paid for the external painterwork which I shall discuss at our next meeting.

Yours sincerely

3 December 1981

To Secretaries, Village Hall Committees
within Sutherland District

Dear Sir/Madam

ONE-DAY SALES

At a recent meeting of the appropriate Committee of the District Council, the Council had under consideration the matter of one-day sales by visiting traders. The matter is not one which directly affects the Council in respect that the Council do not have premises which one-day traders seek to use for their sales and therefore there was no direct action which the Council could take in the matter. A number of members did, however, refer to the fact that they understood that such one-day sales were, from time to time, held in village halls. Members took the view that such sales could be said to be prejudicial to shopkeepers in respect that shopkeepers were permanent features of a community who paid rates, etc and who therefore make a positive contribution to their local community. Members felt that one-day traders did not make this contribution but nevertheless stood to obtain some benefit from their sales which might possibly be at the expense of permanent shopkeepers. Since members believed that village halls were from time to time used for these sales, I was instructed to draw your attention to the matter and to suggest that your Hall Committee consider very carefully whether they would wish their hall to be used for these purposes. While the matter is clearly one for your Hall Committee to finally determine, the Committee did feel that you would wish to carefully consider the situation having particular regard to any possible prejudice that local shopkeepers might suffer as a result of such one-day sales.

The decision of the Committee in the matter has now been approved by the District Council and I am therefore writing to you in the foregoing terms, as instructed, to draw your attention to the matter.

Yours faithfully

Dear Stuart,

I have just received the attached letter concerning one day sales. You may recall the dialogue some time ago on this subject between the Dornoch Business and Trades Association and the Social Club, the outcome of which was to restrict the number of sales we held on our premises and to raise the hire fee. The net effect of these moves has been to drastically reduce the number of sales we hold to an almost non-existent level.

However, I am sure you are aware that the trades have not gone away but make use of alternative Commercial Venues in Dornoch. Considering this fact, together with the letter from S.D.C. your association may now like to re-open the discussion on this subject,

Yours Sincerely,

Peter G. Wild.
Secretary.

We have just completed an inventory of the plastic stacking chairs in the Social Club and it would seem that we are eleven short. It would therefore appear possible that when the chairs from the West Church Hall were borrowed in the summer that an incorrect number were returned in your favour. We would be grateful if you could arrange to check the number of chairs you have against your inventory.

While writing, I would like to officially record our Committee's sincere thanks for all the help you have given us over the recent years, especially during Festival Week.

Reciprocal Memberships

Since the establishment of Golspie & Brora Community Associations there has existed between Golspie and Brora, an agreement whereby membership of one Association allows individual members the use and services of the other, without taking out dual membership.

Since that agreement was entered into, new Associations have started up and the Golspie Community Association asked me to contact the various Community Associations in East Sutherland, to ask whether they would consider entering into an agreement between Helmsdale, Brora, Dornoch and Lairg on the question of reciprocal membership.

Just exactly what this might entail is open to discussion, but perhaps your Committee would care to discuss the general principle involved.

I look forward to hearing from you in due course.

Thank you for your letter of 11th. September.

It is with some regret that we will not wish to be involved in a film circuit during the coming winter. Apart from the losses sustained last year (forty fourppounds) there is now an element of competition from Video evenings in The Eagle Hotel and Grannie's Heilan Hame, which we would not be able to compete with.
