Dear Major Nicholson,

On behalf of the Dornoch and District Branch of the Royal British Legion Scotland, may I ask you to extend my gratitude to the members of the Wednesday Seniors of the Royal Dornoch Golf Club for their very generous gift of £ 150 for the funds of our Branch. I note that you wish this donation to be used to help provide something extra at Christmas for those in our area who are less well able to afford the little extras that make this time of year special.

You may be interested to know that we have knowledge of those who we consider fall into that category and, thanks to gifts such as you have presented to us, we are in a position of doing something practical to allow those for whom we feel a special responsibility to know that they are remembered and that someone does, indeed, care for their well-being. These gifts are not posted to the recipients but are delivered by Legion members - this allows us to present the gifts personally and to have time to spend with those whose threshold may not have been crossed for who knows how long. All-in-all, this Christmas visiting serves more than just the giving of a gift, welcome as that undoubtedly is, as the individual has, for a little while, the company that may have been sadly missing for long enough.

The Branch is grateful to for your continuing generosity. May I wish you all every good fortune in the coming months and years.

Yours sincerely,

Andrew Mackenzie

If there is one thing certain in life it is that there is nothing certain in life.

You may remember that I wrote to you earlier this year concerning the possibility of floodlighting the War Memorial. One of the attractive aspects of the project was that there would be no financial obligation on the Branch either for the installation of the lighting or the day to day running and maintenance. The majority of the members found the matter to be favourable.

All has now changed!

It appears that money is short and the original support which was expected from CASE will not now be forthcoming unless any of the projects to which CASE is committed falls through. Further correspondence is expected from CASE but not until December.

The cost of installing floodlights at the War Memorial is £ 2854.66 plus VAT, a total amount of £ 3354.23, of which the Branch would be required to contribute 25% or £ 838.56. Not a modest amount, an amount, in fact which represents 30% of our current assets. The question is : do we wish to contribute to the installation of the floodlighting and if we do, is there any financial support available from, for example, the Highlands and Islands Area Council of the Legion. I expect the Area Council would require that we make an effort to raise some of the amount needed before becoming involved. In that case some sort of fund-raising exercise would have to be carried out by the Branch.

Your comments would be appreciated - as soon as possible please as the quoted cost is valid only until 1 September 1997.

.....

While I have your attention - the Legion Beating Retreat will take place this year on the Castle Esplanade in Edinburgh on 10 August. Tickets are available from - The Publicity Department, RBLS, New Haig House, Logie Green Road, Edinburgh, EH7 4HR enclosing a SAE.
