The Postmaster to give a Fortnight's Notice when a further Supply is required

The Time of working each Stage is to be reckoned from the Coach's Arrival; and as any time lost is to be recovered in the course of the Stage; it is the Coachman's Duty to be as expeditious as possible, and to report the Horse-keepers if they are not always ready when the Coach arrives and active in getting the Coach off. The Guard is to give his best assistance in changing whenever his Official Duties do not prevent it.

By Command of the Postmaster-General,  
EDWARD J. PAGE,  
Inspector-General of Mails.
