

August School House
Ch 1891

Dorrock

Mar: 11th 1891.

Dear Sir,

I, along with a few other members of the community, am anxious, if practicable, to start the game of Tennis in the Town with the view of increasing its attractions as a summer resort, and, as I understand there is to be a meeting of the Town Council on Thursday, I beg to ask their permission

to out using such a piece of
the links, as they may point
out, as a Tennis Court, —
the same to be held of
and under the Council from
year to year at an annual
rent of 1/6, those being the
terms upon which the Council
gave the Golf Par: Co: the
site for the present pavilion

I am
yours respectfully

Alexander Angus.
